EXPERIENCE

Junior Web Designer TOPCASHBACK | 2014-2015

Some of the key jobs within this role were : Designing affiliate advertising and email campaigns ensuring compatibility across different platforms. Creating and refining user journeys. Wireframing, prototyping and coding UIs for a range of different screen sizes including desktop and mobile. Also creating assets for the company in print following the companies branding guidelines

Clients I worked with at TopCashback:

THE BODY SHOP.

Freelance 2013-PRESENT

I started freelancing in 2013, since then I have worked on a wide range of products including designing logos, creating bespoke website. Working with independent businesses and start ups. Some examples of freelance work include a bespoke website for a hotel, bespoke vintage sign company and logo design for a yoga instructor.

Voluntary Work - Click Sliver Computer Project 2013

A project that works to show the older generation how to use computers in their day to day lives.

Barista SHERWOOD FOREST CRAFT CENTRE | 2010-14
